

The background/drug screen checks will be performed by a service approved by the District and must be completed prior to beginning the first clinical rotation. Student understands that the background checks clearance will be provided to the clinical sites before patient care or clinical work commences. The procedures for such background/drug screen checks are set forth in the District's written "Background/Drug Screen Checks Procedure" which will be provided upon request.

#### PROCEDURE

Once a student is accepted into a program, an email letter will be sent indicating the requirement and process for obtaining a background/drug screen check. The current service adopted to do the checks is [www.Castlebranch.com](http://www.Castlebranch.com). The background/drug screen check results issued by the
