Associated Students of Orange Coast College
AB 798 College Textbook Affordability Resolution

WHEREAS, textbook costs have risen 1041 percent since 1977 according to the Bureau of Labor Statistics, outpacing the median wage increase two fold, according to the Social Security Wage Index,

WHEREAS, electronic courseware licensed at a cost to students does not meet Title 5 § 59400 requirements that such materials are of continuing value to a student outside of the classroom setting;

WHEREAS, open source textbook and courseware solutions reduce the cost to districts and students;

WHEREAS, reducing the overall cost of attendance may result in a growth in enrollment for Orange Coast College and allow for higher levels of student success by allowing students to spend more time studying and less time working to pay for expensive textbooks;

WHEREAS, by preventing the free distribution of course textbooks and software, copyright holders limit the extent to which students and schools may benefit from the aforementioned cost savings;

WHEREAS, the use of open source courseware curated by Orange Coast College Faculty would result in high quality customizable course materials that would increase student success;

WHEREAS, AB 798 would authorize the local academic senate of a campus of the California Community Colleges to (A) adopt a local campus resolution to increase student access to high-quality Open Educational Resources (OERs) and reduce the cost of textbooks and supplies for students, and (B) upon adoption of the resolution, develop a specified plan, in collaboration with students and the administration, that describes evidence of the campus' commitment and readiness to spend an initial grant of up to $50,000;

WHEREAS, OERs, when reviewed and selected by discipline faculty for their own courses, can in many cases offer appropriate low-cost alternatives to published textbooks for students; and

WHEREAS, the Academic Senate for California Community Colleges endorsed Resolution 6.05, (Spring 2015) with the intent of AB 798 to
