NAME OF CLUB	DESCRIPTION & DETAILS
Art & Animation Club at OCC	We at the Art and Illustration Club at OCC would like to welcome all artists, content creators and animators to join us. We shall be having all sorts of engaging activities for people to enjoy such as listening to key note speakers from the industry, drawing with other fellow artists and spending social time getting to know more creative personalities amongst the club!
Future Medical Professionals Club	FMP is a club for students interested in future medical careers. The purpose of the club is to create a space, for pre-health students, to share resources and opportunities, build new connections, provide information on volunteer/shadowing openings, and provide guidance in healthcare!
Respiratory Care Club	The goal of the Respiratory Care Club is to function as a supportive organization that encourages prospective and current Respiratory Therapy students to support each other. While participating in community and campus events to bring awareness to the profession and lung health, the club will also focus on fundraising efforts to alleviate the growing costs of required credentials, exams, etc for the current cohort year.
Japanese Art Club	Our club is to establish a place to communicate with those who love Japanese art culture, especially animation since it is one of the media that we Japanese are proud of.
